

Coding

Design

→ Computer program

mainly HLL

✓ Code review

■ Code walk through
Informal

~~Read simulation~~

■ Code inspection

Look for mistakes

→ Check list of mistakes

[Formal Meeting

Roles : — Author, Moderator, Inspector, Reader, scribe
(organize meeting) (Present the code) Writes minutes of the meeting

✓ Purpose / Goal while coding

- ✓ Translate design into program
- ✓ Reduce cost of later phase
- ✓ Making program readable

' Internal documentation'

Characteristics

Readability

Portability

Generality

Efficiency

Modularity

Coding standard
